

Public notice

The Southern Ute Tribe's Department of Natural Resources, is in the process of putting address signs for Southern Ute Tribal members living within the boundaries of the Reservation. The long standing and growing concern is from emergency service providers and law enforcement regarding 911 addressing issues and response time. There are precious minutes lost when emergency response units are dispatched to the wrong address. The Department of Natural Resources reminds all, these signs are the property of the Southern Ute Indian Tribe. Please do not remove these sign, each sign has a purpose. For 911 emergency systems to dispatch emergency service providers to the proper physical address. If you have any questions, please contact Eddie Box, Jr., DNR Information Systems Manager at 970-563-0125 ext. 2232.
