Based on the information submitted by the applicants, the Air Quality Program (AQP) has prepared fourteen draft operating permits for approval. The draft permits and accompanying statement of basis are available on the AQP's website at <http://www.southernute-nsn.gov/environmental-programs/air-quality/title-v-operating-permit-programs/>. Any interested person may submit written comments on the proposed permit and request a hearing. Written comments and requests for

hearings may be sent to the AQP in care of Brenda Jarrell, Air Quality Program Manager, at P.O. Box 737 MS#84, Ignacio, Colorado 81137; or emailed to bjarrell@southernute-nsn.gov. Any hearing request should: 1) identify the individual or group requesting the hearing, 2) state his or her address and phone number, and 3) state the reason(s) for the request. Notice of any public hearing will be provided at least 30 days in advance of the hearing. The AQP will consider the written public comments and requests for a hearing that are received within 30 days of this notice. Any interested person may contact Brenda Jarrell of the AQP at 970-563-4705 to obtain additional information.
