B. Vehicle Decals: \$40 per vehicle.

Decals must be purchased for each vehicle to be covered by the company permit and which is listed on the vehicle list.

Decals are not required for equipment or trailers. **If you purchase additional vehicles, each additional vehicle will require a decal. VI. VALID PERMITS

- A. Purpose and MAP:** Your permit is valid ONLY for the location(s) stated on your crossing permit. Your permit does not allow you to be on Tribal land for any other activities that have not been otherwise authorized by the Southern Ute Indian Tribe (i.e. Hunting, Camping, Site Seeing, Hiking). If your permit is for the "Oil & Gas Field" please visit our web site for a map. You must make copies of this map to attach to every copy of your crossing permit.

If you are performing any type of activity on land adjacent to Tribal land that may involve your being on Tribal land (i.e. fence building, or any type of surveying) you must first receive authorization from the Department of Natural Resources / Lands Division, at (970) 563-0126.

- B. Copy of Permit:** Your permit is not valid unless the employee crossing the reservation has a valid copy of the crossing permit in his/her possession with copies of: **1)** the Company Employee/Vehicle List that includes the employee's name and a description of the vehicle he/she is driving/riding in, and **2)** a copy of the map. The vehicle must also have a decal on the windshield if the permit is an annual permit.
- C. Decal:** Your annual permit is only valid if your decal is permanently affixed in the lower left hand corner of the vehicle windshield that is registered on your vehicle and personnel list.
- E. PLEASE HAVE ALL OF YOUR EMPLOYEES READ THIS PAGE AND THE STATEMENT AT THE BOTTOM OF THE CROSSING PERMIT REGARDING RULES AND REGULATIONS WHILE CROSSING TRIBAL LAND. THIS ACTION COULD SAVE YOU AND YOUR EMPLOYEES FROM BEING CITED FOR VIOLATIONS THAT CAN RESULT IN FINES AND/ OR REVOCATION OF THE PERMIT. IT IS YOUR RESPONSIBILITY TO ENSURE YOUR EMPLOYEES UNDERSTAND THE CONDITIONS OF THE PERMIT ISSUED TO YOUR COMPANY.**
