POSITIVE INDIAN PARENTING

Honoring our Tradition by Honoring our Children

Positive Indian Parenting (PIP) has been used for over 35 years and remains popular today because the teachings are timeless. Historically, we had rich teachings that helped children grow up safe with strong families. Colonization threatened those teachings—our Native families were being separated and traditional practices were at risk of being lost. PIP was developed in the 1980s to fill this void and was designed to help parents and families remember our traditional teachings and apply them in the modern world.

In part one of each session we will discuss examples of traditional practices and teachings from several different tribes. Instructors also share teachings from local areas and communities. Part two of each session discusses how to apply those teachings and values today. Complete all 8 sessions to receive a certificate.
